

# NINJAS IN THE BOX

# STORY

---

Darkness and corruption are attempting to take control over the world. As it is not possible for them to do it alone, human brain is needed.

Evil communist neurons have occupied the brain of a leader of the biggest country of the world. They are attempting to take control over all the important regions of the brain.

Fortunately there are Ninjas in the Box! They are here to bribe the evil to do good. First - they have to get enough money to be able to do so...

# MISSION

---

Use bitly coding blocks to control you ninja.

Collect as many coins as possible.

Get close to the evil neuron.

Use the coins collected by your team to bribe the evil neuron.

# MOMENT OF TRUTH

Haha you stupid ninjas! What are you doing here?

We are here to stop you from doing things you shouldn't. Give up you communist bastard!

Haha - not so fast, ninjas! I know a way how to make this good for both of us...

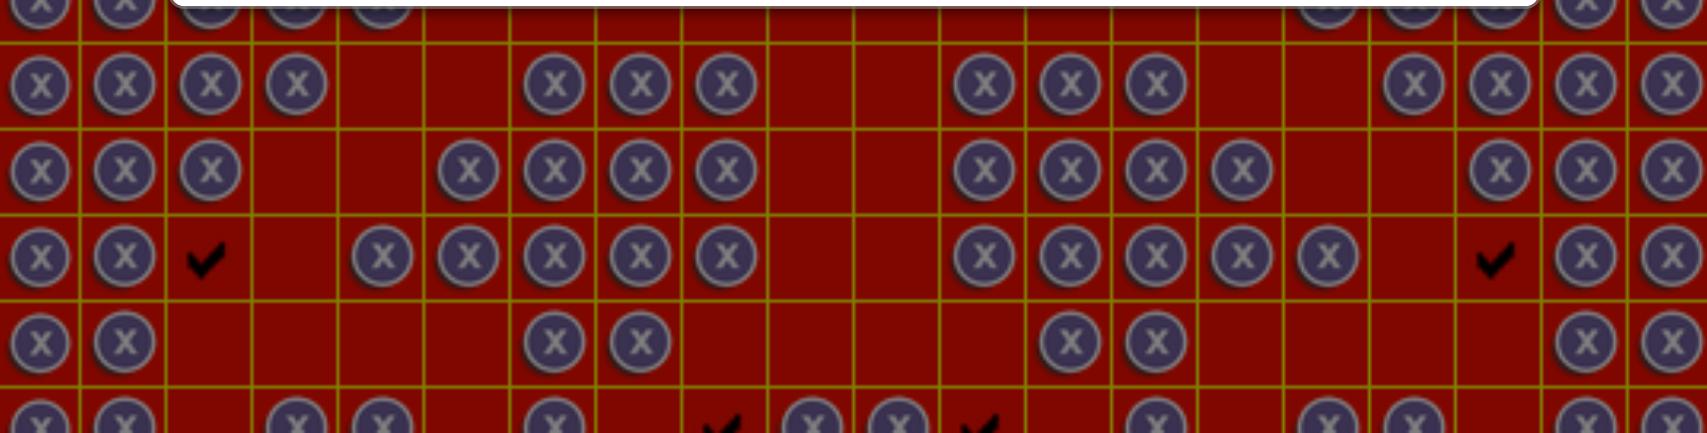

Your karma is not going to get better after this...

# GAME OVER

Unfortunately the evil communist neuron was too fast for the Ninjas in the Box.

The neuron took over the brain part and now possesses unlimited evil control over free thought.

# YOU WON!

Congratulations! Your ninja team managed to plant serotonin bomb that will eventually save the brain from being zombied.

There is still hope!
